

# SoulFreeingHealth

Weekly ◉ Channelled ◉ Cleansing ◉ Extension

**We know, our stable Health comes from embodying our genuine authenticity, our true «i AM».** Through mostly Meditation, BreathPractice, Sound, NourishmentKnowledge and further insights we calm down, cleanse and newly inform all our systems and especially our Soul. These practices uplift and carry us through the everyday life, offering us to grow into our expansion to our «i AM».

The special value is White Feather's sharing that creates out of the Now in togetherness with the great Spirits!

Finding together within these weekly circles, potentiates our personal growing significantly. The regularity leads us to the foundation of our stable **SoulFreeingHealth**.

We recommend to pair «SoulFreeing**Health**» with «SoulFreeing**Sound**», as they are a perfect couple.
