

SoulFreeingHealth

Channelled ◉ Cleansing ◉ Extension

We know, our stable Health comes from embodying our genuine authenticity, our true «i AM». Through mostly channeled Meditation, BreathPractice, NourishmentKnowledge and further insights we calm down, cleanse and newly inform all our systems and especially our Soul. These practices uplift and carry us through everyday life, offering us to grow into our expansion to our «i AM».

The special value is White Feather's sharing that creates out of the Now in togetherness with the great Spirits!

Finding together within these weekly circles potentiates our personal growth significantly. The regularity leads us to the foundation of our stable «**SoulFreeingHealth**».

We recommend to pair «**SoulFreeingHealth**» with «**SoulFreeingSound**», as they are a perfect couple.
